

GENERAL EDUCATION REQUIREMENTS

All Pitt-Johnstown students must fulfill both Competency and Knowledge Areas in order to complete degree requirements. Students in Arts and Sciences programs must fulfill the requirements described in this booklet.

Individual academic majors have specific Competency Area requirements for their own division. Education and Engineering Technology have their own version of Competency Areas requirements (see divisional source books for details).

WRITING COMPETENCY

All students must fulfill writing competency requirements. These requirements may be fulfilled in one of two ways:

METHOD ONE: Complete ENGCOMP 0002, 0003, or 0005; **and**
Complete ENGCOMP 0004 or 0006; **and**
Complete **one** Primary Writing course from the following list:
