Greetings, Pitt-Johnstown Residence Community Member!

Welcome! We are delighted that you have chosen to enhance your Pitt-Johnstown experience by living on campus. As you will soon discover, being a resident student strengthens your connections with the members of the Pitt-Johnstown community and provides you with a rewarding and positive life-changing experience. Many of the friendships you will make while living on campus will last through your lifetime.

Our top priority is to provide you with a living experience that is safe, comfortable, and welcoming. We strive to create an environment that is inclusive while encouraging students to express their individuality. We have a zero tolerance for any action that threatens, intimidates, or harasses members of the campus community and inhibits their personal growth.

This publication has been designed to provide you with information on policies, procedures, and expectations relating to your on-campus experience. Here are a few important things to remember about residing on campus:

• Students must be enrolled for a minimum of 12 credits and be actively participating in their courses in order to reside on campus.
• Residence halls are closed during winter recess. No students are permitted to gain access or reside in campus facilities during that time.
• The deadline to cancel housing and be eligible for a housing deposit refund is July 15.
• The deadline to cancel housing and be eligible for a refund (housing deposited forfeited) is the first day of the semester (August 27 for 2021 fall semester and January 10 for 2022 spring semester)
• Prorated housing refunds are only available to students who withdraw from the University. Students who choose to move off-campus while still enrolled are not eligible for a housing refund after classes have begun.
• The last day to cancel a meal plan or change to a lower plan is the third full day of classes (August 31 for 2021 fall semester and January 12 for the 2022 spring semester)
• Lost ID cards and/or keys must be reported immediately. For the security of the residents, locks to a room for which the resident has lost a key, will be changed and associated charges will be assessed to the student whose key was lost.

Unfortunately, as the world continues to respond to the challenges created by COVID-19, the policies and guidelines contained in this document are subject to change at any time in response to University, CDC, and/or World Health Organization recommendations.

On behalf of the entire Pitt-Johnstown Student Affairs team, especially your Housing, Dining Services, and Residence Life team, we look forward to seeing you on campus and working with you to create a living-learning experience that will generate a lifetime of great memories! Remember, we are here to answer your questions, help you navigate your way, and make your on-campus experience memorable and rewarding. You will quickly discover that Pitt-Johnstown is a great place to live!

Have a great year!

COVID-19 SAFETY PROTOCOLS

Due to the continued presence of COVID-19, the University of Pittsburgh Health Advisory Group has developed guidelines to mitigate the spread of the virus. We are fortunate to have some of the country’s foremost researchers, epidemiologists, emergency physicians, and other highly qualified medical professionals guiding our efforts. For the 2021-2022 academic year, the following protocols must be followed (these protocols are subject to change during the year):

ALL STUDENTS
• All resident students must respond to the request for vaccine status. Students can report their status on Campus Services at: http://campusservices.upj.pitt.edu/. Students who prefer not to disclose their status or qualify for an exemption, should select “I choose not to answer.” For purposes of vaccination status, students who indicate “not vaccinated,” “partially vaccinated,” or “choose not to answer” will be considered not vaccinated.
• All resident students must wear a face covering when indoors except when in their assigned room/suite/apartment. This includes PJ’s dining hall, although face coverings can be removed while eating.
• Any resident student testing positive for COVID-19 will need to either relocate to the LLC isolation unit or return home for a period of up to 10 days.

NON-VACCINATED/NON-DISCLOSED STUDENTS
• Non-vaccinated students and those who choose not to disclose their status must wear a face covering at all times while on campus, including outdoors, except when they are in their personal residence room.
• Non-vaccinated/non-disclosed students will be required to participate in weekly COVID-19 testing.

MEAL PLAN OPTIONS AND RATES

All first-year residence hall, lodge, Willow, and LLC residents must contract for a meal plan. All plans are per term. (First-year residential students are required to contract for Plan 1, 2, 3 or the Ultimate plan). Commuter students and those residing in the townhouses and College Park apartments, while not required to subscribe to a meal plan, may choose from any of the meal plan options:

Meal plan purchases and changes are coordinated by our office. Meal plan questions may be directed to upjmeals@pitt.edu.

WHAT ARE DINING DOLLARS?
Dining dollars have cash value in campus dining venues and are part of meal plans. Each dining dollar is worth one dollar and can be used in any of the dining venues on campus.
Please note that any unused meals at the end of the semester do not carry over into the next semester. Dining Dollars remaining at the end of the fall semester will carry over to the spring semester provided the student is enrolled in a meal plan for that term. Dining Dollars expire at the end of the spring term. Dining Dollars cannot be refunded.

Dining dollars cannot be used in the Bookstore.

If students run out of dining dollars, they may purchase additional dining dollars online in the Johnstown Campus Housing & Dining Services task center on the portal (my.pitt.edu). Students may also purchase Mountain Cat Cash through the Business Office. Mountain Cat Cash can be used in any campus dining venue and the campus Bookstore and does not expire at the end of the term.

SPECIAL DINING NEEDS
Chartwells, the campus’ food service provider, can accommodate students with special dining needs including food allergies or intolerances. Halal and kosher meals can also be arranged. Students requesting special diets should complete the “allergen preferences” portion of the Dine on Campus app. Information stored in the allergen references remains confidential. Students can also contact a member of the Chartwells culinary team.

HOUSING RATES

The housing rates listed below are per term for the academic year. The rates include the room, room furnishings, internet and Wi-Fi, laundry access, residence hall programming and events, Philo television service, and all utilities. Meal plans are a separate cost.

**Single Rooms may be available on a limited basis and are generally not available until the semester has started.

For more information about each housing option, please visit www.johnstown.pitt.edu/housing-services and click on the “Housing Options” link.

All students desiring on-campus housing need to sign the appropriate Housing & Dining Services Contract and complete an on-line housing application. Students wishing to be considered for a private room also need to complete an on-line “Private Room Request Form.”

To cancel housing, a student must complete an on-line cancellation form. Please note that failure to cancel housing on-line may result in penalties. These penalties include forfeiture of deposit, continued room charges and/or fines. Please see the current “Housing and Dining Services Contract” for more details.
AMENITIES

Students residing in campus residence halls have access to University wi-fi and gaming networks. Free television is provided to all resident students via Philo Edu streaming service. Philo enables students to watch programming on their televisions, computers, and mobile devices. More information on Philo is available at www.johnstown.pitt.edu/housing-services/philo.

HOUSING PROCEDURES

Being a member of the University of Pittsburgh community is a privilege. This privilege comes with the responsibility to act in accordance with all institutional rules and polices. Any full-time student under the age of 24 is eligible for residential living.

As members of the Pitt-Johnstown community, all students are expected to comply with all federal, state, and local laws and ordinances. In addition, all students should be familiar with the Student Code of Conduct. Likewise, all resident students should be familiar with the current Housing and Dining Services Contract.

ACCOMMODATIONS FOR MEDICAL CONDITIONS

The University of Pittsburgh at Johnstown provides reasonable accommodations for students with disabilities as outlined by the Americans with Disabilities Act. Students requesting housing adjustments or accommodations due to disabilities must contact the Office of Health and Counseling Services (814-269-7119; ohcs@pitt.edu).

COMMUNICATION WITH STUDENT HOUSING

Any request, cancellation, application, or similar communication with the Office of Housing & Dining Services must be initiated by the student. Housing & Dining Services cannot respond to requests from parents, guardians, or similar agencies on the student’s behalf. Communications should be through one of the following methods:

1. online via the housing module (my.pitt.edu through the Johnstown Campus Housing & Dining Services task center),
2. via email from the student’s Pitt email address, or
3. in person at our office, 130 Student Union.

Students who are under the age of 18 at the time they apply for housing will need to have a parent or guardian co-sign their Housing and Dining Services contract.

AVAILABILITY OF RESIDENTIAL FACILITIES

Residential facilities will be available for occupancy based on students’ assigned move-in day and time (unless other arrangements are made in advance) and must be vacated and left in good order no later than 12 hours after the student’s last scheduled final examination in the academic period covered. Students who withdraw from the University must vacate the premises within 24 hours. Students wishing to arrive earlier or stay later than the above time frame may be billed a nightly rate outside the current term rate. Students wishing to arrive early or stay late must receive permission from our office. Students not obtaining permission may face fines and/or judicial action.

HOUSING DEPOSIT AND REFUNDS

A $150 housing deposit is required for all students when registering for campus housing. Note: The deposit is held against the spring term housing fee. This deposit is refundable under certain circumstances. For detailed information on how to cancel housing and have the housing deposit refunded, please reference the current Housing and Dining Services contract.

ASSIGNMENTS

The Office of Housing, Dining Services, and Residence Life has the sole right to make assignments and reassignments in the residential facilities. Students can be reassigned to another facility at any time during the academic year at the discretion of the Executive Director of Housing, Dining Services, and Residence Life or his designee. Administrative reassignments can occur when a student’s lifestyle, hygiene, health, or behavior may adversely affect the other students in the facility, or when the need arises to make optimal use of the facilities. When possible, a student will be given 24-hour notice before an administrative room change occurs. A student is
responsible for any costs incurred if a move results in increased housing fees. A private room rate will be charged not only to a student who requests and is granted a private room, but also to one who chooses not to move out of an assigned room or refuses to allow another student to move into the room. Such action could also result in a fine and/or disciplinary action. Students must move into their assigned space during move in periods. Moving into a different space may result in fines and/or disciplinary action.

ASSIGNMENT CHANGES
Room changes are subject to the approval of our office. Students may not move to another assignment without first receiving that approval. In most cases involving a roommate conflict, residents will be asked to participate in a formal mediation process. Students who have a concern about a roommate conflict should first attempt to resolve the issue informally with their RA. A student is responsible for any costs incurred should a move result in increased housing fees. Students moving without prior approval could be subject to a fine and/or disciplinary action.

ROOM VACANCIES
Vacancies in rooms, suites, and lodges will be posted online. The exception is vacancies in organizational (Greek) housing. When a vacancy occurs, students should be prepared for another student move into the vacancy at any time. Refusing to allow a student to move into a vacancy could result in disciplinary action and/or fines, including being charged for a private room. Moving into an available space without authorization from our office could result in disciplinary action and/or fines.

ROOM CONSOLIDATION
When deemed necessary, our office may consolidate students without roommates together. This process can occur in either the fall or spring terms, or both. Detailed instructions will be sent to students involved in the process. The consolidation process is not necessarily implemented every term.

OVERLOADING SPACES
Due to the number of students requesting housing, at times it might be necessary to overload a space (triple). If overloading a space is necessary, our office will work to return the space to the designed capacity as soon as possible. A reduced rate may be offered should mandatory overloading be necessary. Once the room returns to designed capacity, the reduced rate will no longer be in effect and the room rate will return to the published rate.

GENDER-INCLUSIVE HOUSING
Gender-inclusive housing provides students the opportunity to live with a student of their choosing regardless of gender or gender identity or expression. At this time, only upper-class students may choose gender-inclusive housing, which is limited to the Living-Learning Center, Willow Hall, Townhouses, or College Park Apartments. If one of the students in a gender-inclusive assignment cancels their housing contract or moves out of the room for any other reason, the remaining student(s) may identify a new roommate to fill this vacancy. If the remaining roommate(s) cannot identify a new roommate, our office may assign a new roommate to the room, the room may revert to a single-gender room, and a new roommate may be assigned based upon the gender of the remaining roommate(s).

PRIVATE ROOMS
All students should plan to have a roommate for the year. Private rooms may be offered to those students completing an online “Private Room Request” form in the event private rooms are available. Private rooms may not be available until after the term has begun. Private rooms are offered based on terms-in-residence (how long a student has lived on campus), where spaces are available, and by date of request, in that order. Accepting a private room will result in an increased cost to the student.
INSPECTIONS
Residence Life staff will conduct announced health and safety inspections. Students are expected to clean their facility and remove all garbage. Students will be billed for missing or damaged property and for cleaning charges. Action on all health and/or safety issues will be documented on inspection forms and may warrant judicial action and/or criminal prosecution. Students failing to correct health and/or safety issues could face judicial action and/or criminal prosecution.

ROOM ENTRY
The University reserves the right for authorized representatives to enter the premises for housekeeping purposes, for damage and/or cleanliness inspections, for repairs or maintenance, to determine occupancy, to ensure the well-being and safety of members of the University community, to check the condition of University property, or to recover University property. In addition, rooms can be entered when there is probable cause to believe that a violation of University policy and/or state or federal law has taken place or is taking place.

MAINTENANCE REQUESTS
Students who have a maintenance need (i.e., malfunctioning heating unit, plumbing issue, leak, non-working refrigerator or microwave, etc.) are asked to submit an online work order via the University’s Campus Services website (http://campusservices.upj.pitt.edu). Physical Plant employees work Monday through Friday between the hours of 7 a.m. and 3 p.m. For emergencies that occur during the evening or on weekends, students should also contact an RA.

IT SUPPORT ISSUES
Students who are experiencing issues with campus technology (i.e., slow/no internet, network access problems, account, or password issues), should contact the IT Help Desk using one of the following methods:
- Browse: www.upj.pitt.edu/PJIThelp
- Text: PJIT to 814-886-1600
- Call: 814-269-PJIT
- Email: PJIThelp@pitt.edu

RE-CONTRACTING
Students desiring to return to campus residences for the following year may do so during the re-contracting process that takes place every spring term. Students will be charged a $150 room. After the $150 room deposit is paid, students can apply online for housing within residential facilities reserved for upper-division students.

RECESS PERIODS
All residential facilities will be closed between terms. Residents are responsible for making their own temporary arrangements during periods of closure. Dining facilities will close during all breaks and periods of closure. Anyone found in University housing during a period of closure without authorization will be subject to University disciplinary action and/or criminal prosecution. No students are permitted to reside in campus housing during periods when residence halls are considered “closed.” For the 2021 fall semester, the residence halls will close at 9 p.m., Friday, December 17.

CHECKING OUT OF RESIDENTIAL FACILITIES
Students vacating their rooms at any time during a term or at the close of a term must complete the following before leaving:
1. Ensure that their facility is clean and in good condition. A cleaning fee will be charged to any students whose living areas are excessively dirty.
2. Unless choosing to take advantage of the “Express Check-Out” option, meet with an RA to conduct a room inspection. Damages found will be assessed to the residents of the room in which they are found.
3. After an inspection, keys are to be returned to the RA conducting the inspection. Failure to return keys upon departure results in a key fine. Personal property left in any residential facility upon completion of check-out becomes the property of the University one week following departure.

4. Students can choose to use the Express Check-Out option. This option is available if a RA is unavailable or if the student simply chooses to expedite the check-out process. The student will obtain an Express Check-Out envelope, empty the room of belongings, place the room key in the envelope, and place the envelope under the RA’s door or turn it into our office or the University Police office. The RA will then inspect the room at a later time without the student present. When choosing the Express Check-Out option, the student waives the right to dispute any charges that may result from room damages, etc. All other check-out policies are in effect when using the Express Check-Out option.

5. Students failing to follow the above procedures will be cited for an improper check-out and may be subject to fines and/or penalties.

6. Students who plan to return for spring semester do not need to return their room key or remove their belongings at the end of the fall semester. The University does recommend, however, that students take valuable items (i.e., laptops, gaming systems) home during the break.

CRIMINAL DISCLOSURE

Resident students must disclose to our office any felony convictions or other convictions for sexual offenses or drug distribution, sale, or manufacture. If a student has any such conviction(s), residing in on-campus housing first requires express permission from our office. Students with such convictions must agree to assist our office in conducting a background check and must adhere to any reasonable housing conditions placed on them at the discretion of our office. Based on the nature and circumstances of past or future convictions, the student can be prevented from residing in University-owned housing.

STUDENTS’ RIGHTS & RESPONSIBILITIES IN THE JUDICIAL PROCESS

The Residence Life staff (RA) are actively involved in working with students to create an academically supportive environment. The staff are committed to encouraging students to adhere to University policies and procedures and exhibit appropriate behavior at all times. While educating students about what it means to be a member of a positive living community, the staff must address the behavior of individuals who act inappropriately and/or who serve as a disruption within the community. Students are expected to be responsible for their own actions and the actions of their guests at all times and places on campus. Additionally, it is the responsibility of all resident students and their guests to respectfully comply with the directives given by the members of the Residence Life, Housing & Dining Services staff.

Depending upon the nature and severity of an incident, a student’s behavior could result in one or several possible interventions including an informal discussion with one’s Resident Assistant or Head Resident Assistant, an administrative hearing conducted by an Area Coordinator, a judicial referral to the Office of Student Conduct and Conflict Resolution, and/or the involvement of University Police. Some actions could result in a student’s immediate removal from living in and/or visiting campus residential facilities. Additional information on the judicial system can be found in the Student Code of Conduct.
HOUSING POLICIES

ALCOHOL POLICY - RESIDENTIAL FACILITIES
The University has established a comprehensive policy concerning the use and abuse of alcohol and other drugs by students and employees. It is of the utmost importance that each student read and be familiar with University policies regarding alcohol and other drugs. As adults, students are expected to obe[y the law and take responsibility for their conduct. The relationship between the University and students is a non-custodial one. The University will not invade the personal lives of its community members (faculty, staff, students, or others) on or off the campus, nor conduct unreasonable searches and seizures. Our policy has been designed to give reasonable assurance of compliance with campus regulations, township ordinances, and state laws. Members of the University community will be subject to disciplinary action, or legal process, for violation of laws, ordinances, and regulations, as well as procedures designed to comply with the same. It is recommended that students familiarize themselves with the University policy by consulting the Student Code of Conduct.

CONFISCATION
If stolen property, contraband, prohibited items, and/or item(s) considered a danger to a student or the community is found in a student’s possession, University personnel will remove it immediately. Contraband includes, but is not limited to, fire hazards, prohibited items such as candles, weapons, illegal drugs, drug paraphernalia, etc. The student or students in whose room, lodge, suite, townhouse, or apartment the item is found will be subject to University action and/or criminal prosecution. Some confiscated items may be retrieved within one week of the date of confiscation. Any retrieved item must be permanently removed from campus immediately. Items related to alcohol and/or drug use or items that could present a danger may not be retrieved. Any item not retrieved within one week becomes the property of the University.

QUIET HOURS
To ensure a quality living/learning environment, conduct and noise interfering with study and sleep of residents is unacceptable. During quiet hours, a student should be able to study or sleep in his/her room without disturbance from his/her neighbors. Quiet hours for all University-owned residential facilities are Sunday through Thursday 10 p.m. to 8 a.m. and Friday and Saturday midnight to 8 a.m. Exceptions to this timeframe are during exam weeks when quiet hours are in effect at all times through the duration of the exam week. Violations of the quiet hours policy can result in a fine and/or judicial action.

DAMAGES AND LIABILITY
The University does not assume responsibility for any resident’s, guests’ or other person’s loss of money or valuables or for the loss of personal property due to natural or unnatural causes. Students whose personal property is not covered by their parents’ or guardians’ personal property insurance policy, should purchase coverage.

1. Only maintenance and/or custodial staff members may repair, replace, or adjust University equipment or property. Residents are not permitted to do so.
2. All residents of a room, suite, lodge, townhouse, or apartment are held mutually liable for damages to public and/or private areas when individual responsibility for the damages cannot be clearly established.
3. An individual is held solely liable for public or private area damages to a room, suite, townhouse, lodge, or apartment when individual responsibility can be clearly established.
4. Living spaces and common areas must be in the same condition upon resident departure as recorded on the condition report upon arrival.
5. Residents are responsible for securing their room, suite, townhouse, lodge, or apartment. Residents can be held accountable for loss of personal belongings or University property.
6. All residents are held liable for damages to public or semi-public areas of the residential facilities when an individual or a group of individuals responsible for the damages cannot be clearly established.
7. Residents who observe vandalism within or around residential facilities, and who do not report the vandalism to our office, Residence Life staff (RA) or University Police can also be found financially or judicially liable for damages.

8. A student’s failure to remit payment when found financially liable will result in an administrative hold being placed on the student’s University account. This hold may prevent a student from scheduling classes or completing a housing application.

9. Because the University considers it a privilege and not a right to reside in campus housing, those students who, on the basis of campus records, participate in or are responsible for excessive and/or malicious damage to University property may be required to immediately vacate campus housing and/or may lose on-campus housing privileges.

**DISORDERLY CONDUCT**

At all times, students are expected to act in a mature, rational, and respectful manner towards one another and all University faculty, staff, and administrators. Actions, attitudes, and behaviors to the contrary aimed, either directly or indirectly, towards any member of the University community will be appropriately addressed through the University’s judicial system, which could result in criminal charges, if warranted. In every situation alleging disorderly conduct, a student’s residency status is questioned and could be altered and/or revoked.

**DRUGS**

On-campus possession, sale, or use of any controlled substances (as defined under the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act 64 of 1972) is prohibited. Students who are found to possess, sell, or use these substances could be required to vacate University housing immediately and are also subject to permanent disciplinary dismissal from the University.

**FIRE SAFETY/FIRE SAFETY EQUIPMENT**

Each residential facility is equipped with a central fire alarm system. If an alarm sounds, students are required to immediately evacuate their facility. Obstruction of or disobeying emergency evacuation procedures will result in judicial and/or criminal action. Abuse, tampering, misuse, or unauthorized use of fire safety equipment, including, but not limited to, setting off false alarms or false alarm boxes, or intentionally activating a sprinkler system, smoke detector, fire extinguisher, or fire hose connection, is prohibited and will result in appropriate fines and/or University action, up to and including termination of housing and criminal prosecution. This includes covering smoke detectors. Setting fires in the residential facilities or surrounding areas is prohibited and punishable under the Pennsylvania Fire Code. This includes, but is not limited to, setting fire to bulletin boards, wall coverings, posters/flyers, trash containers, furniture, door decorations and/or setting fires or burning items outside of a residential facility. Students may not remove the curtains from any windows, nor may they hang fabric in their rooms or common areas (including on windows) for decorative or other purposes.

**FIREARMS AND WEAPONS**

Possession of firearms and/or weapons in University housing or on University premises is strictly prohibited. Included in the University’s definition of firearms and weapons are pearl guns, BB guns, airsoft guns, paintball guns, ammunition, bows and arrows, knives, sling shots, darts, martial arts implement, and any item described as being an “offensive weapon” under the Pennsylvania Crimes Code. Due to the popularity of hunting in the Johnstown area, arrangements can be made with University Police for storage of firearms/weapons. Any student desiring this service can make appropriate arrangements by contacting University Police at 814-269-7005. (Note: The storage of firearms/weapons with University Police is a service and a privilege. Failure to return them to University Police immediately upon returning to campus will result in revocation of this privilege.) Residents must report the possession, use, or storage of any firearm, weapon or explosive device to University Police when they are aware of such possession. Game animals killed while on hunting trips may not be brought to campus and dressed/processed. All cleaning and dressing must be done off of campus property.
**FIREWORKS**
Pennsylvania law forbids the use of smoke bombs, firecrackers, fireworks, and other incendiary devices. Possession and/or use will result in disciplinary sanctions and/or police action.

**GUEST AND VISITOR POLICY**
All visits are subject to the following conditions:
1. A visitor/guest is defined as any person not assigned to that hall or room.
2. The roommate’s approval is required.
3. All residents and visitors/guests must present proper photo identification upon request. Proper identification for visitors/guests includes state issued identification as well as identification cards from other schools.
4. All visitors/guests must be escorted by the resident while in the building.
5. Residents are limited to two (2) visitors/guests per room at any one time, provided the room capacity is not exceeded (see page 18 for room capacities).
6. A resident may not entertain persons under the age of sixteen (16) unless the minor is accompanied by a parent. At no time are non-students under the age of 18 permitted to stay in the residence halls overnight.
7. For purposes of contact tracing, all non-student guests must be registered by the hosting student. A Guest or Visitor request form must be completed at my.pitt.edu in the Johnstown Campus Housing & Dining Services task center. Failure to register guests could result in the loss of hosting privileges.

**OVERNIGHT GUEST POLICY**
An overnight guest is defined as any non-resident guest visiting between the hours of 12 a.m. and 8 a.m. Sunday through Thursday nights and between the hours of 2:00 a.m. and 8:00 a.m. on Friday and Saturday nights. All visitation regulations apply to overnight guests (see “Guest and Visitor Policy” above). Residents may have overnight guests subject to the following additional conditions:
1. All non-resident overnight guests must be registered via an online overnight guest registration form completed by the host student in the Johnstown Campus Housing & Dining Services task center at my.pitt.edu. The overnight guest form must be completed by 4 p.m. the day of the visit. The roommate’s approval is required even if the roommate will not be in the room during the guest’s stay.
2. Residents of first-year buildings, lodges, and the LLC may not have more than one overnight guest at one time. Residents of townhouses, Willow Hall, and CPA may have up to two overnight guests at one time provided the room capacity is not exceeded.
3. An overnight guest may not stay longer than three consecutive days (Sunday through Saturday).
4. A resident is limited to having six guest nights during any calendar month.
5. Guests must abide by the Student Code of Conduct and follow all COVID-19 protocols required of non-vaccinated/non-disclosed students. Violations of the Student Code of Conduct could result in the immediate removal from campus.
6. The total number of overnight guest nights allowed for any resident student is 12 in a given term.
7. Having an unregistered overnight guest, failing to receive roommate consent and/or having guests for too many nights could result in disciplinary action and/or fines. Repeated violation could result in removal from University housing.

**UNIVERSITY ID CARDS**
For purposes of identification and means of access, all students are required to carry their University ID card while on campus. Students must produce a student ID card when requested to do so by any University official. University officials include University Police Officers, our office staff, and other University administrators. Lost or missing ID cards must be reported immediately to the ID Center (151 Student Union). Students are financially responsible for the cost of a replacement card.
KEYS
University room, suite, townhouse, lodge, and apartment keys are issued to the assigned occupants of the living space. Residents should not lend their keys to anyone. Doing so may result in fines and/or disciplinary action. Lost or missing keys must be reported immediately via the online Lost Key replacement form found at my.pitt.edu in the Johnstown Campus Housing & Dining Services task center. Residents are financially responsible for the cost of all lock changes.

1. It is a violation of state statutes and University regulations to duplicate keys to any residential facility.
2. Residents are financially responsible for the cost of changing locks and the re-cutting of keys if they do not return their residence hall keys upon departure from the facility. The cost associated with changing locks and re-cutting keys is set annually by the Office Housing, Dining & Residence Life.

LAUNDRY
Most residential facilities are equipped with laundry machines. All laundry machines on campus are open to use by residential students and do not require coins or cards to operate. Questions regarding the laundry or requests for repairs should be submitted to the laundry vendor by following the instructions posted in the laundry rooms. Please note that the University’s maintenance staff does not repair or maintain laundry machines. If you encounter a problem with one of the machines, information is posted in all laundry areas explaining how to report the issue. Any person found tampering or misusing any machine or appliance will be prosecuted criminally and may be referred to the University’s judicial system.

PERSONAL & COMMUNITY SAFETY
The ability to live, learn, and grow in a safe, secure, and healthy environment is of paramount importance. In concert with other University policies and federal and state laws, behavior that endangers personal safety within the jurisdiction of residence halls and surrounding property is prohibited. In addition to the list below, the COVID-19 protocols outlined on page 3 must also be followed.

1. Accessing roof tops and/or ceilings, propping doors, removing window screens, entering/exiting through windows, and using sports equipment within residence facilities is not permitted.
2. Propelling objects from hallways, windows, doors, balconies, porches and/or sidewalks of facilities is prohibited.
3. Playing sports and/or using any sporting or unauthorized recreation equipment is not permitted in residential facilities.
4. Discharging, dumping, or throwing containers of water, having shaving cream, food, water, or other fights, and/or engaging in similar behavior that endangers resident safety or University property is prohibited in and around/between residence facilities.
5. Items cannot not be hung from the ceiling, including but not limited to cardboard, beer boxes, fishnet, parachutes, flags, tapestries, or other flammable items. Only University-approved curtains may be hung in front of windows.
6. Using candles, incense or incense burners, oil lamps, etc. which, by the nature of their use may be left unattended, constitute a fire hazard and are not permitted in residence facilities.
7. Storage of propane tanks, lighter fluid, or other accelerants, or any other type of “open flame” device in the residence facilities is prohibited. University personnel will confiscate such items.
8. During holidays, decorative lights and candelabrum with low watt mini-bulbs and a UL approved label are permitted. Natural trees, pine boughs, etc., are not permitted.
9. No person is permitted to sleep in public areas of residence facilities, including common areas such as lobbies, hallways, and recreation areas.
10. Approved extension cords should never be placed across aisles, wrapped around metal fixtures or furniture, run through doorways or under carpet or bedding.
11. Tampering with exterior doors, propping exterior doors open, or disabling/bypassing exterior locks is prohibited. Students who do so could face disciplinary action, including removal from the residential facilities.
PETS
For health and maintenance reasons, pets are not permitted in any residential facility. Fish in a 10-gallon tank or less are the only exception to this policy. Students found in violation of this policy will be subject to disciplinary action without prior warning. The minimum penalty in such cases will be a $100 fine. Repeated violations can lead to loss of on-campus housing privileges.

Emotional support animals (ESA) must be approved by the Office of Health and Counseling Services and be registered through our office before the animal is permitted on campus. Any student bringing an ESA onto campus without following these guidelines will be fined and forced to remove the animal from campus immediately. The ESA guidelines are available on our web page (www.johnstown.pitt.edu/housing-services) by clicking on the “Emotional Support Animal Guidelines” link in the blue column.

PROHIBITED ITEMS
In addition to the list of items on page five, the following items are among those not permitted in University-owned residential facilities: lofts, large furniture (recliners, loveseats, upholstered chairs, couches, mattresses), candles, incense, incense burners, halogen lamps, water beds, air conditioners, toaster ovens, rice cookers, crockpots, heavy electrical appliances (washers, dryers, freezers, dishwashers, etc.), cooking appliances and appliances with open heating elements (toasters, grills, hot plates), firearms, paintball guns, BB and pellet guns, CO2 cartridges, dart boards, propane tanks, lethal weapons, ammunition and explosives, fireworks, lighter fluid, knives, drones, wax burners, martial arts implements, power tools, large weights and exercise equipment, dart boards, flat panel TV mounts, space heaters, light-weight extension cords, non-circuited/non-surge protected multi outlet, and any items related to illegal drugs and related paraphernalia as well as items related to excessive consumption of alcohol (beer bongs, drinking game paraphernalia).

A microwave and refrigerator are provided in all residential areas on campus. If the use of an extension cord is necessary, residents are required to use a power strip. All cords must be grounded and UL-approved.

ROOM LIGHTING
University lighting fixtures must be equipped with light bulbs provided by the University. They cannot be replaced with any other type of bulb, nor can a shade or light covering be replaced or altered in any way. If an emergency evacuation of a residential facility is necessary, it is important that Police and Fire Safety personnel have adequate lighting. Due to fire safety hazards, halogen lights are not permitted. Lighting devices, fixtures, or equipment may not be affixed to any University property. Material or cloth may not be placed over lighting fixtures.

SMOKING/VAPING
All University-owned facilities are clean air. Smoking within all University facilities, including residential facilities, is prohibited and will result in fines and possible loss of on-campus housing privileges. If evidence of smoking in a residential facility is apparent and the responsible person(s) cannot be identified, the residents of the facility and/or the organization of a facility will be held responsible for any relevant fines according to the above-mentioned consequences. The use of electronic cigarettes and vaping is also prohibited in residence facilities.

TECHNOLOGY USAGE
The University provides computer network connection services in all residential facilities.

1. Use of this service is a privilege and it is the responsibility of each user to utilize these services appropriately. By connecting a computer to ResNet, users are bound to all agreements established by the University, its vendor(s), and to any local, state, or federal laws and/or regulations regarding use.

2. Any action deemed a violation of any University policy regarding computer appliance, software or network use could result in the immediate termination of services, monetary fine and/or judicial and/or criminal prosecution.

3. Users may not attempt to run any unauthorized hosts, sources, or services.
4. Residents may not attempt to circumvent any firewalls affiliated with established network services.
5. Residents are responsible for any activity originating from their host.
6. Residents may not use any technology for surveillance, nor record or distribute video or still images of someone without her/his prior written permission.
7. Residents may not install satellite dishes, radio or television antennae, or aerials in, on, or throughout any residential facility.

THEFT AND/OR UNAUTHORIZED USE

Theft or unauthorized possession of University services, property, appliances, equipment, or personal possessions is a serious offense - one that will be investigated and addressed to the full extent of University policy, and federal, state, and local laws and ordinances.

1. Theft of University services includes, but is not limited to, the unauthorized use of computer, network access, and University meal or other accounts.
2. Residents may not use another’s personal property without authorization, including, but not limited to, another’s computer account, or meal account.
3. Theft of services regarding the use/misuse of campus housing will be prosecuted to the fullest extent of University policy, and federal, state, and local laws and ordinances.

UNIVERSITY ROOM FURNISHINGS AND APPLIANCES

1. For the health and safety of our resident students, personal furniture (recliners, love seats, upholstered chairs, couches, etc.) is not permitted in any residence facilities.
2. Lodge, room, suite, townhouse, or apartment furnishings provided by the University may be arranged in any reasonable manner that does not endanger resident safety – with the exception of any items affixed to a wall or floor, as these items must remain in their original position.
3. Furnishings or appliances provided by the University may not be transferred or interchanged among rooms, suites, lodges, apartments, townhouses, or any public area.
4. University furniture may not be placed outside.
5. University furniture that is placed into the room by the University must remain in the room and may not be removed by the residents. In the instance whereby a room is “tripled,” and a loft system is placed into the room, the loft system will be removed once there are only two students in the room by the Physical Plant staff at the direction of the Office of Housing & Dining Services. Physical Plant will not honor requests from students to remove any furnishings from a room, suite, lodge, townhouse, or apartment.
6. University common area furniture (e.g., furniture placed in lounges or recreation areas) may not be moved to student rooms or placed outside of the residence facility. Students found in violation of this policy will be subject to disciplinary action and possible loss of on-campus housing privileges.
7. All University-provided appliances must be cleaned and in the same working condition upon departure as they were upon arrival.
8. Living areas may be carpeted, however, if the space is not already carpeted:
   a. University property is not to be modified to accommodate carpet.
   b. Double-sided tape, glue, adhesive, other tape/fixative, or nails may not be used in carpet installation.
   c. Carpet may not have foam backing, and carpet padding is prohibited.
   d. Any area rug/carpet brought by a student must be removed prior to resident departure from the room, suite, lodge, townhouse, or apartment.
9. Waterbeds, pools of water, waterslides, saunas, whirlpools, and other such items are not permitted in residence facilities.
10. Rewiring or modification of any outlet, jack or fixture is prohibited.
11. Installing ceiling-mounted lights or fans is not permitted.
12. Installing or affixing shelving, cabinets, etc., is not permitted.
13. Installation of student-built furnishings (bars, poles, etc.) is not permitted.
14. Students are not permitted to install their own curtains in the room. University provided curtains must remain in place due to fire safety issues.

NON-UNIVERSITY FURNISHINGS
For the health and safety of the campus community, no non-university furnishings (personal furniture) are permitted in any campus residence hall. Any personal furniture found in a residence hall will be removed immediately and discarded. Additionally, any students bringing personal furniture to campus will be subject to a $100 fine.

BATHROOM CLEANING POLICY
It is important that bathroom facilities remain clean to promote a healthy and safe living environment. Regular bathroom cleaning helps prevent pests, mold, bacterial growth, and other health and safety hazards. It is the responsibility of each resident to clean the bathroom in each room, suite, townhouse, or apartment. Custodial staff will not routinely clean individual bathrooms while the associated living space is occupied.

Custodial staff will regularly clean all public and common area bathrooms.

Bathroom cleanings will be performed by custodial staff before and after occupants move into the associated living space, normally before the fall semester and after the spring semester. At other times, when the associated living space is vacant, bathroom cleanings will be completed after the space has become vacant in preparation for another student moving in.

HOUSING AND DINING SERVICES CONTRACT

As part of the online housing application process, each student agrees to abide by the terms and conditions of the Housing and Dining Services Contract for the current academic year.

The complete text of the Housing and Dining Services Contract can be found on our website at www.johnstown.pitt.edu/housing. Click on the Housing Publications and Forms link.
