Shelter-in-place Period

@UPJEATS

During the shelter-in-place period, all seating will be closed in the new PJ'S Dining Hall. In order to get your takeout meal, you will need to make a reservation on the new dining web page: dineoncampus.com/UPJ. You will be given a 15 minute window to enter the dining hall, get your to-go meal, and exit. You are welcome to eat outside with the members of your pod or in your room.
