- American Democracy Scholar Recognition events
- Voting drive
- Constitution Center/Supreme Court/Congress/White House Visit

Democracy Bowl

A Civic Tournament

In partnership with K-12 partners, the one-of-a-kind Democracy Bowl Tournament will feature competing teams from area K-12 schools. Participants will engage in a fun-filled three-hour event that includes a Quiz based on the Citizenship Test and imaginative student presentations. Showcase your creativity through multimedia projects, gamification of the Constitution, and more to enhance learning and accessibility. The winning team/school will receive a \$25,00 grand prize, and other prizes will be awarded to all participating schools. Join us for this town hall-style event, evaluated by community judges, including local leaders, educators, and veterans, and let's revitalize the civic culture and preserve Democracy Together!

"Yes, we are crazy about our Democracy."
