

## *A new star lights the firmament*

By Dr. Jerry Komia Domatob

*As Shesans emerge on global star's gallery  
Excelling like celebrities on splendid salary  
A few sparkle, outdistance and outshine  
Bequeathing glittering legacies that define*

*Among these pearls, tower Dr. Jem Spectar  
Whose Accomplishments elevate humanity  
First African-born American University President?  
Dr. Spectar gained induction into fame's galaxy*

*A versatile, illustrious and dexterous scholar  
Spectar's humongous intellectual prowess inspires  
Jurist, political scientist and eminent educator  
Professor, communicator and seasoned administrator*

*"Man of the World" with mission and vision  
Dr. Spectar promotes benevolent globalism  
Champion of higher educational pursuits  
Spectar's rise as President launches a new era*

*As the new day dawns, with lavish optimism  
Dr. Spectar, like legends, discerns skepticism  
Amidst the hullabaloo and jolly excitement  
Lurks mountainous challenges and obstacles*

*But Dr. Spectar, an indefatigable fighter  
Like brave warriors' masterminds victories  
Diplomat, tactician, strategist and planner  
Charismatic leader and organizer of victory*

*As resounding zest welcomes Dr. Spectar  
Like victorious teams that win trophies  
Temptation's aroma which ruins icons  
Flash, charm and dangle like gold*

*Go forth Dr. Spectar, with courage and conviction  
Always act with caution like the wise  
Listen and learn from people of integrity  
Work diligently with generosity for all  
Hurrah! Hurrah! Hurrah! President Jem Spectar*
