Each student must take 2 courses in each World of Knowledge. The two courses taken within each World must be from different subjects. A student must take two additional "Follow-Up" courses from any World.

- >The minimum number of courses taken in the Worlds must be 10.
- >The Follow-Up courses may repeat a subject previously taken in a World.
- >A student cannot use a major required Subject course in one of the Worlds.
- For example: A Biology student cannot use BIOL 0110 to fulfill a requirement in the Science and Nature World.
- Students cannot use a course to count both in their QR requirement and one of the Worlds.
- Students can choose QR and Worlds of Knowledge courses from published course lists.
