**IMPORTANT SPRING TERM 2023-2024 (2244) REGISTRATION INFORMATION**  
**ENROLLMENT APPOINTMENT PERIOD**  
**OCTOBER 27 - NOVEMBER 10, 2023**

**ADVISING INFORMATION**

All students will be required to be in contact with their academic advisor prior to enrolling for their 2024 Spring Term classes. You can find the name of your academic advisor on your Student Center page.

An **Advising Hold** has been assigned to all current students that will stop you from scheduling for spring classes until you meet with your academic advisor. **IMPORTANT - Schedule an advising appointment several days before your enrollment appointment opens to discuss your spring class selections.**

**SCHEDULE OF CLASSES AND ENROLLMENT WORKSHEET**

The Spring Term 2024 Schedule of Classes and an enrollment worksheet will be available in PDF format beginning October 5 at [www.upj.pitt.edu/en/academics/registrar](http://www.upj.pitt.edu/en/academics/registrar). This schedule is updated frequently to reflect any changes.

**ENROLLMENT APPOINTMENT INFORMATION**

Enrollment Appointments are assigned on seniority status and are based on the number of earned credits (both Pitt and non-Pitt) posted to your academic record as of September 25, 2023.

Your personal Enrollment Appointment information is available on your Student Center page and includes the date and time you may begin to enter your Spring Term course selections. Once your enrollment appointment opens you will be able to use self-service to register and make any adjustments to your schedule through January 19, 2024, the end of the spring add period. January 26, 2024 is the end of spring drop period.

**GENERAL QUESTIONS ABOUT ADVISING AND SELF-ENROLLMENT**

Please direct any questions to [upjreg@pitt.edu](mailto:upjreg@pitt.edu).

\*\*\*\*\*

**BEFORE YOUR ADVISING APPOINTMENT**

- ✓ View/Print the Spring Term Schedule of Classes, available at <https://www.upj.pitt.edu/academics/office-registrar>
- ✓ Print an enrollment worksheet, available at: <https://www.upj.pitt.edu/academics/office-registrar>
- ✓ Review major and general education requirements – This information is available in your division office, the Office of Advanced Education, on the Academic Success Center webpage, and for most majors by accessing your Degree Progress report available through the self-service menu in the student (my.pitt.edu) system.
- ✓ List your course selections on the enrollment worksheet
- ✓ Pay close attention to courses that have restrictions, pre and/or co-requisites and those that require instructor or department permission.
- ✓ Make a list of any questions you may have for your advisor about your course selections.

**AFTER YOUR ADVISING APPOINTMENT**

- ✓ Contact the class instructor (PRIOR TO YOUR ENROLLMENT APPOINTMENT) if any of your course selections required an override signature on your enrollment worksheet. The Registrar's Office staff will enroll you in the course requiring the override with the signed enrollment worksheet.
- ✓ Check course availability using the Class Search option available through the Self-Service menu on the student system (my.pitt.edu).
- ✓ Check that you do not have any holds that will stop you from enrolling for spring classes. If you have any holds on your account, take care of the holds before your enrollment appointment date. Many holds prevent you from registering for classes. If you have a financial hold, please contact the Business Office, [UPJBILLS@PITT.EDU](mailto:UPJBILLS@PITT.EDU), to address this type of hold.
- ✓ Submit your spring term course selections on-line when your enrollment appointment begins.

## Course Repetitions

---

Required courses in a student's major must be repeated if the grade of F is received. If the grade of D is earned in a sequence course such as mathematics or language and the student intends to continue in that discipline, the course should be repeated. Other courses in which a C-/D/F is earned may be repeated at the discretion of the student in consultation with his/her advisor. Course repetitions are subject to the following limitations:

1. No sequence course completed with a grade of C-/D/F may be repeated for credit after a higher-numbered course in that sequence has been passed with a C or higher grade.
2. Courses for which a C-/D/F has been earned cannot be repeated using the S/U grade option.
3. The grade earned by repeating a course replaces the grade originally earned. The originally earned grade will not be counted in the computation of the GPA; it does not increase the number of credits unless an F grade is replaced by a passing grade.
4. No course may be repeated at any institution other than the University of Pittsburgh or its regional campuses.
5. Except as noted in the course descriptions, a particular course may be taken for credit only once.
6. No course passed with a grade of C or higher may be repeated.
7. A student may not take any course more than three times.

## Termination of Registration/Resignation (Dropping all Classes)

---

Students may resign any time after the end of the add/drop period but no later than the close of business on the 60th calendar day of the term or the 30th calendar day of the session by notifying the Vice President for Academic Affairs of their intention to terminate their registration for all classes by mail, phone, or in person. Registration and term tuition charges will be adjusted in accordance with the official University Title IV Refund Policy. Students must do this even if they are only registered for one course or credit. If they have housing and/or food service charges, they must notify the appropriate offices immediately.

After the 60th calendar day of the term or the 30th calendar day of the session, students can only terminate their registration by withdrawing through the Office of the Vice President for Academic Affairs.

Students who wish to drop all of their courses before the official end of add/drop period should do so by contacting the Office of the Registrar, 279 Blackington Hall. If students drop all of their courses, they will not be liable for their term tuition and fees, and their registration will become void.

If students resign after the last day of the add/drop period, they are liable for a percentage of their charges and will be issued R grades, denoting resignation on transcripts. R grades do not count toward a degree, grade point average, or academic progress for the purposes of financial aid eligibility.

Failing to attend the classes for which a student is registered or failing to notify the appropriate academic and administrative offices of nonattendance is not considered an official resignation. Students who fail to follow proper procedures for termination of their registration are responsible for all tuition and fees assessed for the term or session.

The effective date of resignation is determined by: (1) the date of in-person contact with the Office of the Registrar; (2) the date of the postmark on the letter of intent to resign (or the date of receipt if no postmark exists); (3) the date of notification by telephone; and (4) the date of last attendance.

R grades are assigned for all courses for which registration is terminated after the add/drop period but prior to the resignation deadline for the term or session.

W grades are assigned for all courses for which registration is terminated after the 60th calendar day of the term or the 30th calendar day of the summer session.
