

Regional campus students are eligible for the Graduate School Guarantees offered by the School of Health and Rehabilitation Sciences.

Please visit the following links for the SHRS Guarantee Information. Please note this information is updated annually:

[Communication Science](#)
[Health Information Systems](#)
[Nutrition and Dietetics](#)
[Occupational Therapy](#)
[Physical Therapy](#)
[Physician Assistant Studies](#)

Process for awarding a guarantee to a student at a Regional Campus:

- **Applicant must select the Guarantee they wish to be considered for on their freshman application, or, if there is not a specific guarantee question on the application they must indicate Communication Science, Health Information Systems, Nutrition and Dietetics, Occupational Therapy, Physical Therapy or Physician Assistant Studies as their intended field of study on their freshman application.**
- **Regional campuses must send student's name, copy of application and supporting documents as necessary, i.e. verification of high school ranking and SAT/ACT scores to the SHRS Admissions Office, admissions@shrs.pitt.edu no later than the end of add/drop of the term of admission.**
- **SHRS will send a guarantee letter, signed by the Dean of SHRS, to qualified students. This process will be effective for freshman admitted for Fall 2019. Only students who have received a guarantee letter from SHRS will be recognized as having a guarantee by our graduate program's admissions committees.**
