

## **Thank You, Karen!**

After working for more than 20 years as a member of our Housing & Dining Services and Residence Life teams, Karen Barrick has retired from Pitt-Johnstown. Karen was a vital member of our team, leading the transition through not one but two housing systems during her time here. She built an electronic inventory of all 22 residence halls, which include more than 1,800 beds, and converted all of our processes from pencil and paper to online. Her contributions to our success are immeasurable. Karen's outstanding work and commitment to our students earned her University-wide recognition in 2020 as a "Pitt Pandemic Hero." Karen will be greatly missed. We thank her for such dedicated service and wish her the best as she starts her new chapter.
