CR Satisfied/Term Each student must take 2 courses in each World of Knowledge. The 8 courses taken in the Worlds must represent 8 different Subjects. A student must take two additional "Follow-Up" courses in any World. The minimum number of courses taken in the Worlds must be 10. >The Follow-Up courses may repeat a subject previously taken in a World. A student cannot use a major required Subject course in one of the Worlds. For example: A Biology student cannot use BIOL 0110 to fulfill a requirement in the Science and Nature World. >Students cannot use a course to count both in their QR requirement and one of the Worlds. Students can choose QR and Worlds of Knowledge courses from published course lists.
